ALL INCLUSIVE - Introduced in 2017, CEF’s award-winning Original ED Table quickly became sought after by schools across America for designs in classrooms, makerspaces, studios, and more, with two other popular iterations following soon after. This ground-breaking line of tables was designed with maximum efficiency for custodial staff, teachers, and students alike. Featuring mobility, ample storage, and integrated electrical, this table has everything you need - and it all comes standard for one all inclusive price.

Quality product that pays for itself with reduction of ancillary products such as trash cans and cubby storage. Building Maintenance receives the product well also. Move it to clean. Thank you CEF Team. We look forward to placing more!

- Jamie, CEF Dealer

**NEW! - TOUGH TOP**

“Tough Top” is CEF’s new top option that will be a game changer in the classroom! This 1" antimicrobial composite wood substrate is powder coated, tough as nails, can be hit with a hammer, and have little to no signs of damage. This powder coating technique creates a seamless finish that covers the entire surface including edges and undersides. There are simply no cracks and crevices where germs and bacteria can accumulate, making it ideal for the classroom.
